North Dickinson Elementary

Alyvia McBride

My school, North Dickinson Elementary, is the best public school. There are Life Skills and Vista classes, small class sizes, a small school size, and we have a wonderful PTO. North Dickinson is the best public school in Central Pennsylvania.

Life Skills and Vista classes are included at North Dickinson Elementary. Having these classes makes North Dickinson a better school because the classes make other people aware that some people have special needs. It also teaches kids to be kind to other people that have special needs. Those classes also help our Vista friends to learn better because they don't have to rush through learning new things. Vista and Life Skills classes make North Dickinson a friendly and inclusive school.

North Dickinson is a fantastic school because of its small school size and small class size. Because of our small size, teachers can pay more attention to individual students and help them more. With a small school, everyone gets to know one another and gets along with everyone because they know them. Having small class sizes results in a quieter atmosphere and that allows kids to concentrate better since there is a peaceful environment, which benefits our school greatly. Our small class size benefits North Dickinson Elementary to make it a fabulous public school.

I am lucky to go to North Dickinson Elementary because our PTO is phenomenal. The PTO at North Dickinson has tons of fundraisers that helped us to get enough money for a new building and a new playground. Our PTO also organizes our class parties, which are always enjoyable. My PTO also supports

multiple educational field trips each year. North Dickinson's PTO also does book fair so that everyone has a chance to get at least one new book every year. North Dickinson benefits greatly from their PTO, and the PTO makes North Dickinson Elementary a terrific public school with their kind actions.

Do you think that North Dickinson Elementary is the greatest public school ever? Because facts show that it is. There are a lot of great things about North Dickinson Elementary. I chose the best few things to tell you about, but there are many more reasons why North Dickinson is a fabulous public school. Life Skills, Vista, small school and class size, and our PTO make North Dickinson Elementary the best school in the world.
