RE: The Beloved Community

Dear Mayor Tim Scott,

My name is Savanna Tack. I go to Lamberton Middle School. After reading Rev. Dr. Martin Luther King, Jr.'s Global Vision of the "Beloved Community" I wanted to share with you some things I learned about him. He made ideas that I feel would help the town of Carlisle become a more "Beloved Community."

The town of Carlisle is important to me because it is part of my community as well as my family, friends, teachers, church, and those that I interact with. Growing up I have seen evidence of people striving to achieve this Global Vision. They created Project Share, Carlisle Cares, The Salvation Army, and The Angel Tree.

One area I feel we could work on to achieve the "Beloved Community" is to love and respect each other. Then people would talk calmly and kind to each other, even though they disagree. I feel like Rev. Dr. Martin Luther King, Jr. tried to make this happen by having speeches, and sermons. He did this to teach people a new way to live a peaceful life.

A couple ways I have helped to make the "Beloved Community" is by helping with Project Share, and giving a gift from taking a Tag off the Angel Tree. I also try to speak kindly to my friends, and family. Also by being respectful to my parents and teachers.

I hope we can keep following Rev. Dr. Martin Luther King's example to be a "Beloved Community."

Sincerely,

A handwritten signature in cursive script that reads "Savanna Tack".
