

CASAC SCIENCE FAIR RESULTS - 2016

As always, Carlisle Area School District students had a phenomenal showing at the 59th annual Carlisle Area Science Advisory Committee (CASAC) science fair. Listed below are all of the results from the junior and senior divisions for CASD. Grand champion winners from are highlighted in yellow. Please take the time to look at this list and congratulate these students on their participation in this fair. Entering the fair, carrying out scientific research, and completing a display board is a lot of hard work, time, effort and dedication.

Seniors, we wish you luck in the future and hope you continue to explore the sciences. For those students who are not graduating, we certainly hope to see you at the 2017 CASAC science fair!

CASAC SCIENCE FAIR RESULTS - 2016

LMS	STUDENT	PLACE
	Thea Gayman	1
