

	CLUB NAME	DESCRIPTION	GRD	ADVISOR	LOCATION
1	ACOUSTIC JAM SESSIONS	Playing music with other people is one of the best ways to form connections with peers and improve skills with an instrument. This club is designed for students that have experience playing an acoustic instrument and would like to spend time improvising or practicing with others. Students must have an instrument and bring it in for themselves. Limit 10	9th-12th	Wilkinson, J	S12
2	ALGEBRA TUTORING	This club is for students who are willing to help others or for those who need help in Algebra. You must bring laptop, textbook and assignments to club.	9th-12th	Rouvalis, P	S119
3	ARMED FORCES CLUB	This will be an informational club to provide students with an increased understanding and awareness of today's military. This will not be a recruitment tool and all students are welcome in this club. This is also NOT a Jr. ROTC program due to the fact that the club is limited to bi-weekly club meetings. We will have speakers throughout the year including Colonels and Military Recruiters. We may also offer voluntary field trips throughout the year to members.	9th-12th	Adams, B	S02
4	AUTOMOTIVE CLUB	Open to Automotive students only. Current automotive students can practice their skills or work on a personal automotive project based on their skill level with guidance from the instructor. Students may also participate in activities sponsored by Skills USA. Limit 12	10th-12th	Appleman, D	V05
5	BACK COUNTRY OUTFITTERS	Members will learn how to call, stalk, and hunt big game animals. State laws, strategies and experiences will be discussed as well as small game hunting, gun dog training and trapping. We will also discuss freshwater fishing strategies and techniques. Limit 30	9th-12th	Knisley, J	M08
6	BASKETBALL CLUB	This club is offered to any 11th and 12th grader who is interested in playing small, organized games of basketball. Sneakers are required for participation in this club. There will be time allotted for other small games such as 500, 33 and knock-out. Limit 25	11th-12th	Collier, D Wisner, S	MCGOWAN GYM

7	BEST BUDDIES	Best Buddies is dedicated to creating opportunities for one-to-one friendships and leadership development for people with intellectual and developmental disabilities. If you are interested in being a Best Buddy, this club will allow you to build positive relationships with classmates with intellectual or development disabilities. Club periods will provide participants with opportunities to participate in team building and social activities with a buddy! Limit 15	9th-12th	Gogoj,A/Dixon, T Dimino, B	M39
8	CARD CLUB	Playing cards is more than just a way to pass time! It can be a great opportunity to sharpen cognitive abilities like memory, reaction time, and mental processing. This club will afford participants the opportunity to learn a few fast paced games and possibly teach others something new. Participants will also have the option to learn and play more relaxing games. No previous experience necessary. Limit 20	9th-12th	Roeder, C	M210
9	CELL CARLISLE ENGINEERING & LEARNING LAB	This club is for students that are currently enrolled in Engineering Design. This time will be spent collaborating with peers and presenting projects and proposals for projects. Students that are currently enrolled in Computer Integrated Manufacturing, or Principals of Engineering and have an interest in taking Engineering Design are also encouraged to join this club to get an early start before their senior year and be able to participate in our current independent Study student's presentations.	10th-12th	Fetterlof, L. Freeman, M	V08
10	CARLISLE STUDENTS FOR CHRIST	Come join the student-led Carlisle Students for Christ club this year if you're looking to be challenged in your faith. The Bible says that God is our father and Jesus lives inside of us. This club is going to focus on the questions, "What do these relationships look like in an authentic Christian faith?" and "How do these relationships affect my interactions with my peers?" This club is only for those who are serious about being pushed to new heights in their faith-walk.	9th-12th	Jackson, C	M01

11	CARLISLE VICTORY CIRCLE	Carlisle Victory Circle is a club where you can prepare for your future through presentations to help you learn about and build job skills and prepare for college. Club members will participate in various exciting educational activities ranging from field trips to nearby cities and colleges—which will be FREE and FUN for all—as well as local events and celebrations (Kwanzaa, MLK Jr Day celebration, etc.)	9th-12th	Felknor-Edwards, K	S123
12	CARLISLE VIRTUAL ACADEMY	This club is open to any student who is taking an online class through Carlisle High School. Students will have the opportunity to work on their virtual course and take exams.	9th-12th	Cassell, L	F06
13	CHESS SWARTZ	Chess club is a designed to give students an opportunity to learn the game of chess, improve their chess skills, and to enjoy competition against their peers.	9th-10th	Diesing, K	S124
14	CHS DEMOCRATS	This group is currently not affiliated with a political party, but a club for like-minded individuals to assemble. Members will have the opportunity to meet with peers and discuss the candidates, politics, and issues of the day. CHS Democrats will also be encouraged to take part in local and national campaigns and organizations to network with other party members, as well as hold debates, as well as bipartisan conferences, with the Young Republicans. All are welcome. No upfront costs to the students.	9th - 12th	Neely, D	S01
15	CHS MINI-THON	Students in this club will assist in the planning of Carlisle High School's second Mini-THON to help benefit the Penn State Hershey Children's Hospital. Students need to have filled out applications and been approved to chair a committee by Mr. Schade. *Must have teacher approval.	9th-12th	Busillo, M Schade, D	M07
16	CHS REPUBLICANS	This group is currently not affiliated with a political party, but a club for like-minded individuals to assemble. Members will have the opportunity to meet with peers and discuss the candidates, politics, and issues of the day. CHS Republicans will also be encouraged to take part in local and national campaigns and organizations to network with other party members, as well as hold debates, as well as bipartisan conferences, with the Young Democrats. All are welcome. No upfront costs to the students.	9th-12th	Sollman, R.	S06

17	CISCO NETWORKING CLUB	This club will be available to Cisco Networking Students only. The students will use this time to complete lab assignments, receive extra instruction, and build computer networks. Enrollment must be approved by Mr. Berrier. Limit 18	9th-12th	Berrier, M	F04
18	CULINARY CLUB	Current level 2 and 3 culinary arts students can design a menu of their choice based on their skill level with guidance from the instructor. Students will then present menu to other peer groups in class. The menu will then be used in a Courtyard Cafe presentation/luncheon for faculty and staff. Culinary students only. Limit 10	11th-12th	Ehly, C	FCAFE
19	DECA	DECA prepares emerging leaders and entrepreneurs for careers in marketing, finance, hospitality and management in high schools and colleges around the globe. Members will have the opportunity to compete in a wide variety of competitive business events. Available to any student enrolled in a business course.	10th-12th	Conklin, J. Larsen, K	FLGI
20	DISNEY MOVIE CLUB	Disney Movie Club is a time to sit back and relax with a Disney Movie. Approximately four-five movies will be viewed through the year. The first one will be sponsors choice, and club members will then select the other movies from a listing. Limit 20	9th-12th	Warner, M. Wenger, S.	M208
21	DIVERSE STUDENT UNION	This student club will discuss issues of race and diversity. This includes, but not limited to; issues in Carlisle, mentoring middle school students, Historically Black Colleges and Universities (HBCUS), and service opportunities.	9th-12th	Wilbur, S	S105
22	DRAMA CLUB	This is the club for people who've been acting all of their life or have never even been on stage. Come and learn about acting techniques, stage production, back stage work, and more! Everyone will have the chance to perform contemporary scenes/monologues and we'll probably go see a show at one of the professional theaters in Harrisburg. Depending on the turnout, we may even put on a small production for friends and family to see.	9th-12th	Dickerson, B	S111

23	DUNGEON MASTERS PLANNING CLUB	Experienced RPG game runners will have time to plan and design campaigns for their afterschool groups as well as collaborate and share resources with other DM's. This is a <u>planning</u> club for experienced DM's <u>not</u> the gaming club that meets Mondays after school. Members must be approved by the teacher.	9th-12th	Wolfe, R	M16
24	ELIMINATING RACISM	The purpose of this club is to address ways in which high school students can actively help to eradicate racism. Among a wide variety of topics, we will discuss race as a social construct, dispel the myths of cultural superiority, and study the history of racism in America. We will examine the re-emergence of racial superiority in contemporary America, and its detrimental effects on the strength, unity, and diversity of our culture.	9th-12th	Gavazzi, M	S05
25	EMPTY BOWLS DESIGN TEAM	Any student who would like to participate in creating the poster, t-shirt, and other design items for National Art Honors Society's Empty Bowls event is welcome. (Empty Bowls is a fundraiser where handmade ceramic bowls are sold and the profits go to Project Share; Carlisle's main food Pantry). Students do not have to be a member of NAHS or enrolled in an art class.	9th-12th	Drumheller, R	M40
26	ENGLISH TEA	English Tea is designed for non-native English speakers, at any level, who would enjoy conversational English practice, in a relaxed setting. Topics will be selected by the students. In keeping with the motif of English Tea, we will also have tea.	9th-12th	Kelly, L.	M41
27	FURRY FRIENDS CLUB	The Furry Friends Club is for all animal lovers who want to work together to help save local animals through education, promotion and fundraising. You must pick up an application in S14 and turn it in to Mrs. Tritt.	9th-12th	Tritt, L.	S14
28	FUTURE COLLEGE ATHLETE CLUB	Interested in playing a sport in college? Join our club which will discuss recruiting, sports trends, academics, and host guest speakers who are directly tied to college athletics.	9th-12th	Disbrow, M	M35
29	GEOMETRY TUTORING	Need help with Geometry or Honors Geometry? This club will offer support and tutoring to help you be successful in Geometry or Honors Geometry. Limit 15	9th-12th	Wadsworth, J	S120
30	GIRL POWER!	This group is focused on the empowerment of young women through a variety of activities, discussions, experiences and trips. The program is facilitated by YWCA.	9th-12th	Anderson, S	S101

31	GIRLS BASKETBALL CLUB	The Girls Basketball Club is to promote team unity among the current Varsity, Junior Varsity, and 9th Grade players at CHS. Club time will consist of planning out off-season and in season activities. We will also travel to Bellaire Elementary on specific dates to read to Kindergarten students. This Club is by invitation Only.	9th - 12th	Mitchell, S.	M205
32	GOLDEN AGE OF HOLLYWOOD FILMS	In an age where video streaming is ubiquitous and everyone wants to binge watch the next new show, it's fun to look back at the classic age of film and see where it all began. Come and explore history with titles that aren't showing up on your "recommended for you" list. Students will watch and briefly discuss films that can range from the first talkies to more modern film up through 1969. Students and sponsor will collaborate to choose the films from a variety of decades and genres. No other screens please! We try to keep the room as theatre-like as possible. Limit 26.	9th-12th	Perrelli, M	M112
33	GRAPHIC DESIGN CLUB	This is a great opportunity to see your designs used in projects printed throughout the school and community. The main goal of this club is to develop students the skills in creating Desktop Publishing, Graphic Design, Signage, Screen Printing, and using Adobe Software. The students will then use those skills to help produce actual school material (banner and signs, posters, cartoon drawings, silk screen t-shirt production). Club members have work with client such as: Bison Corner, CTE, and Herd TV and posters for competitions; create screen printing designs for various clubs such as: Stem Day, Winging It, banners for the Color Run. Additional, logos designs for community and school. Students will experience first-hand the different projects and challenges that graphic designers encounter in their professional careers. Students will work individually, in groups, and work on their own creations. Prerequisite: Graphic Arts & Design Level II students, Graphic Arts I (current or past) students must have teacher approval. Limited: 10 students max	9th-12th	Ferguson, N.	V04
34	GREEN TEAM	This club is for students interested in learning about, devising, and implementing sustainability practices in our school. We will develop plans to communicate new programs and policies to change behaviors and make our school have a lower carbon footprint.	9th - 12th	Urban, R Wronski, A	LIBRARY
35	HARRY POTTER CLUB	Join Fellow Harry Potter enthusiasts as we compare the books to films, explore trivia, and discuss the pop culture phenomenon. This is a club for students already familiar with the series. (Spoilers included!)	9th- 12th	Clayville, S.	M30

36	SAGA- GSA (Gay-Straight Alliance)	The purpose of the GSA is to promote acceptance and tolerance within the diverse population of our school, promote pride in our community, create a safe environment for all students of Carlisle High School, and educate the school community. It will seek to empower students and address concerns of lesbian, gay, bisexual, transgender and straight youth.	9th-12th	Hull, R	S126
37	KEY CLUB	Key Club is the high school level organization sponsored by Kiwanis International. Key Club assists Kiwanis in carrying out its mission of serving children by performing acts of service in the community. Each year we team up with its three partners (March of Dimes, Children's Miracle Network, and UNICEF) through a major emphasis program entitled "Children Their Future, Our Focus". Limit 25	9th - 12th	Hagood, C. Smeltz, M.	M19
38	MACGYVER CLUB	Go back in time to the 1980's each club period and enjoy an episode of the iconic TV show "MacGuyver". Watch as Richard Dean Anderson stars as a super-clever, ingenious operative for the Phoenix Foundation. Squirm-in-your-seat suspense and fun make MacGuyver an enjoyable escape from the grind of the school day.	9th-12th	Thompson, R	S118
39	MATH COMPETITION CLUB	This club is open to any student who has taken or is taking any Honors Math Class Pre-Calculus, or Calculus. This club is designed for students who are interested in competing in math competitions held at area colleges. This club will focus on strengthening mental math skills for competitions as well as participating in mock competitions. (both individual and group)	9th - 12th	Campbell, John Greenbaum, S	S112
40	MINDFULNESS CLUB	This club will focus on learning and practicing Mindfulness techniques. Mindfulness, also called Meditation, or Quiet Time, is the practice of being still and silent for roughly 20 minutes once or twice a day. It is widely used to reduce stress which can help improve academic performance and physical wellness. No prior ability or experience is necessary.	9th-12th	McGuire, J	M32
41	MCGOWAN YOGA CLUB	Students will be expected to participate each club period n a 20-30 minute yoga activity. We will use a yoga video to guide our practice. Limit 10 Students.	9th-12th	Roper, D.	M209

42	MUD CLUB	Members of the Mud Club will learn the basic techniques for working with clay or continue to develop skills they have already learned. You will have the opportunity to make some small projects. We will also work on the Empty Bowls project, a project to help those who don't have enough food. Limit 16	9th -12th	Tolan, F	M42
43	NATIONAL ASSOCIATION OF HOME BUILDERS	Current construction students can design and build a personal project of their choice based on their skill level with guidance from the instructor. Students will be required to pay for the lumber used. Students may also participate in activities sponsored by Skills USA if interested. Construction students only. Limit to 12 students	10th-12th	Allewelt, S	V03
44	NONFICTION BOOK CLUB	Students will independently read a nonfiction book of their choice. At the end of the club period, students will share what book they are currently reading, why they chose it, and one piece of information to share with the group. Students will bring their own books or may borrow a nonfiction book from my classroom library.	9th-12th	Bailey, A.	S122
45	PEP CLUB SWARTZ	The Pep Club's purpose is to promote school activities by creating posters and other advertisements. Students who enjoy designing and creating are welcome to join. Limit 30	9th-10th	Stalnaker, S	S104
46	POETRY WRITING	This club is for poetry writers who would like time to work on their writing and get feedback from their peers and a teacher. Students respond to creative prompts, share their work, and work on their own writing projects.	9th-12th	Schiffgens, E	M29
47	PUZZLE CLUB	Students in this club will have the opportunity to work on the largest puzzle in the world (33,600 pieces) or select a puzzle from a puzzle catalog to complete during the year. Students who choose to buy a puzzle will be responsible for paying for it. See Mr. Roper for more information. Limit 20	9th-12th	Roper, S	M211
48	QUIZ BOWL CLUB	Students interested in academic competition (Jeopardy-style) will enjoy challenging themselves and their peers in fast-paced academic competition in the Quiz Bowl Club. You do NOT need to be a regular member of one of Carlisle's Quiz Bowl teams to participate! You just need to enjoy trivia and exercising your brain!	9th-12th	Parker, R.	M17

49	ROBOTIC CLUB	Robotic technology is becoming ever present in our lives. We see robotics in everything from factories to self-driving cars. In this club however, we'll try our hands at robots that are just plain fun. Learn how to build a 1 pound combat robot designed to fight in the "BattleBox". Students must provide an RC toy as the foundation for their robot and may need to invest some money in materials.	9th-12th	Bechtel, W	S08
50	SCRABBLE/ CARD GAMES	If you are looking to relax and have fun while playing some friendly games, this is the club for you! We will play Scrabble as well as some card games like UNO, Phase 10, Blink, etc. No previous knowledge necessary. Limit 24	9th - 12th	Lathrop, C	S102
51	SILENT READING MCGOWAN	Silent Reading is a chance for avid readers to get some peace and quiet away from the noises of the high school. Bring your own books or magazines and spend club time lost in your own world. <u>Students must provide their own reading material.</u> This is NOT a study hall, nor time to just surf the web or social media.	11th-12th	Masland, D	M14
52	SILENT READING SWARTZ	Silent Reading is a chance for avid readers to get some peace and quiet away from the noises of the high school. Bring your own books or magazines and spend club time lost in your own world. <u>Students must provide their own reading material.</u> This is NOT a study hall, nor time to just surf the web or social media.	9th-10th	Norcross, E	S10
53	SOCIAL ACTIVISM CLUB	The Social Activism club is centered on learning about and discussing social issues and bringing the discussion to the real world through attending community events and peaceful protests, as well as engaging in volunteer work, and other methods decided upon by the group to work towards progressive social change.	9th-12th	Park, E	S113
54	SPORTS MEDICINE CLUB	Learn about sports medicine careers. Such as athletic training, physical therapy and several other allied health and medical professions. Limit 15	11th -12th	Waiter, B Brenner, T.	TRNG RM.

55	STRING ENSEMBLE	This club is for advanced violin, viola, cello, string bass students who wish to self-lead, organize, rehearse, and perform in a small ensemble for various school and public performances throughout the year (additional rehearsals outside of the school day may be required). (Directors approval required).	9th-12th	Kuehrmann, O	S125
56	SUPER SciFi FAN CLUB	In this club, we will explore the world of SUPERheroes, Science Fiction, and FANTasy through movies, television, books and comic books. This is a very active club and we do a variety of activities every club period. Come geek out with us! Students must be approved by Mrs. Schock. Get an application in room M43.	9th - 12th	Schock, K	M43
57	SUPERHERO MOVIE CLUB	This club is for students who enjoy a good superhero movie. Current and popular superhero movies such as, X-Men, Spider Man, Iron Man etc. will be shown throughout the year. Limit 29	9th - 12th	Henry, J	M207
